The
1955 *El-Pe*

presented

by the

Senior Class

of

LaPorte High School

LaPorte, Indiana

We, Suzie and Elmer Slicer, represent you, the student body. This is the story of a place and a year—LaPorte High, 1954-55—as only we can tell it.

We might say that 1200 students attended classes taught by a faculty of 43 for nine and a half months—but it was more than that.

Through our clubs, dances, and sports—all our extra-curricular activities—we are joined together by that something called school spirit.

Our school unites us

John M. French
Principal of LaPorte High School

Last year the faculty honored Mr. French at a tea celebrating his twenty-fifth year as principal of LaPorte High School.

In grateful recognition of his many years of steadfast, intelligent guidance and service to L.P.H.S. and to the community, we, the Senior Class of 1955, respectfully dedicate the 1955 El-Pe to Mr. John M. French, our principal. His sincerity, understanding, and constant interest in all school activities will be long remembered. It has been through his administrative efforts and broad vision that our school has achieved a high standing among the state and national secondary schools.

The Bowling Club, reorganized under the leadership of Mr. Bernard, bowled Beatty Memorial Hospital, the faculty, and the girls bowling team this year. The group met every Thursday afternoon to bowl.

We, Elmer and Suzie, join old and new;

These students discovered that "crime does not pay."

Swing Choir, organized this year by director David E. Simpson, made its first appearance before a Northern Indiana Principal's Association meeting in LaPorte. This group, all members of the A Cappella Choir, specializes in music of a lighter variety.

Among their many activities were appearances at banquets, parties and assemblies. They traveled to Bremen and Star City, Indiana.

we work and play in our classes;

What would school be like without the classes? Like heaven, you say—but wait—stop and think. What would it really be like if we didn't have biology with the studying of birds, insects, and little green frogs? Just imagine the girls screaming as they remove the entrails of a frog! Believe it or not, this is an occasional occurrence.

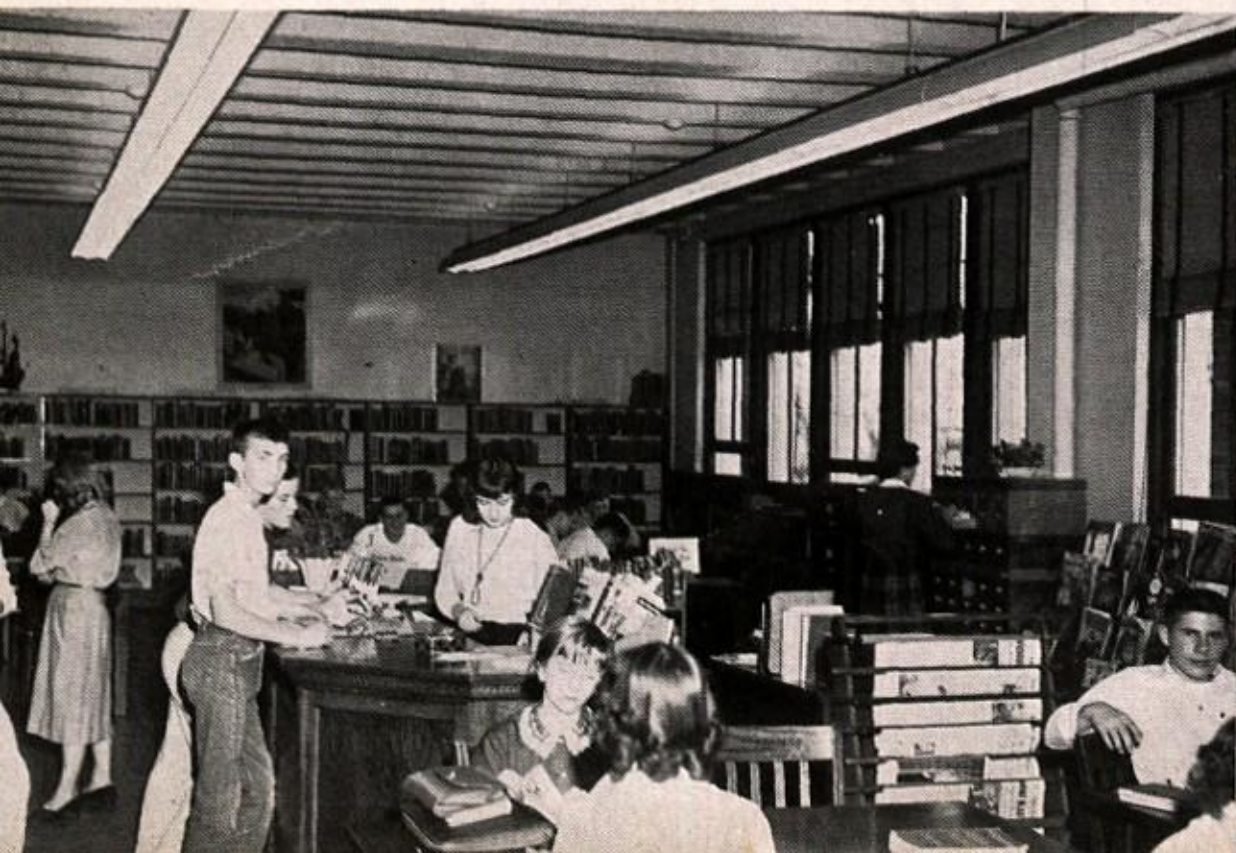

A few of the mighty seniors venture to take chemistry where we find that all is not peace and quiet, especially when we work in the lab. An explosion or an unusual fragrance is noticed in the halls of L.P.H.S. much to the amusement of the underclassmen. Testing for unknowns is the exciting part of chemistry, for we find that the substances are really unknown.

The library is in a state of confusion as the end of the six-weeks period approaches. Students hurry to pay fines, search madly for the book which they read last term and now desperately need to complete their course, and skim through magazine articles to find last minute reports. We do all this to improve that grade on those little yellow cards which we give to our parents every six weeks.

How long can two years be? Ask any girl as she finishes her last day of gym. She will long remember running to Kiwanis Field for a rough game of soccer, getting back to school in five minutes, and taking a hurried cold-shower that somehow always seemed to leave her hair straight for the rest of the day.

We will back and cheer forever as they grab another win.

Everyone tried to get into the parade.

we whole-heartedly back our teams;

All Slicer athletes felt the tremendous amount of spirit that the student body exhibited in backing their teams throughout the school year.

The cheerleaders and pep committee composed assemblies designed to give added inspiration to the Slicermen in their quest for victory.

At the pep sessions the auditorium echoed the

cheering of ardent fans as they prepared for the big game that evening.

At the Civic Auditorium the Pepper Club and the Lettermen united to form a backbone for the Slicer rooting section by sitting in reserved blocks in the student section. The Pepper Club was recognized by their waving of orange and black pompoms, and the Lettermen, by their letter sweaters.

L.P.H.S. enthusiastic (?) rooters and their cheerleaders (?)

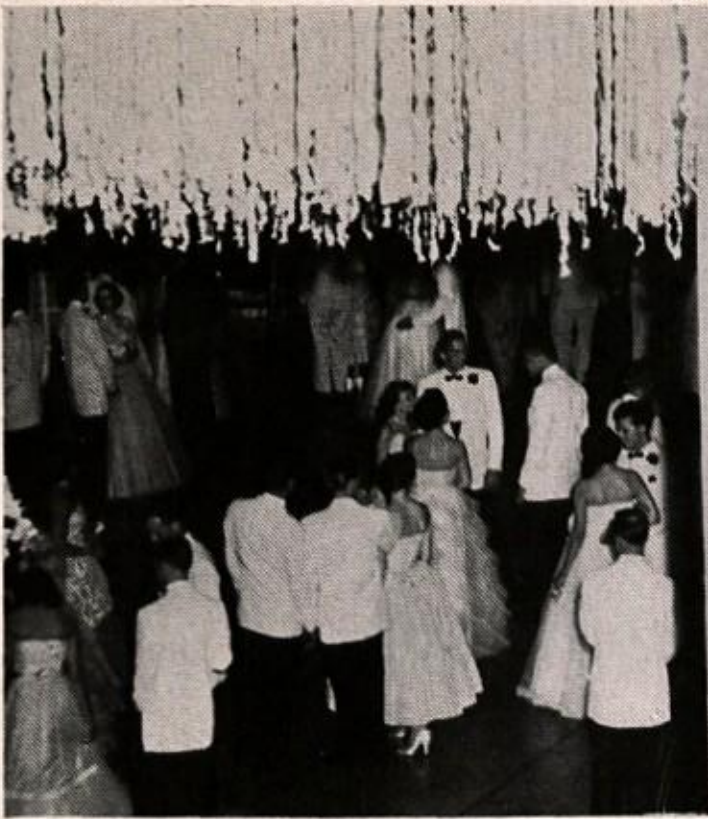

Didn't anyone tell the fellas there was a dance tonight?

we "cut a rug" at dances;

Heads, It's Chuck's Combo; tails, it's Tom' band.

After dancing among the stars at the Junior-Senior Prom, party-goers welcomed the 3 a. m. meal.

The usual way to spend a Friday night is at a dance sponsored by one of the school organizations. This year we paid a nickel an inch, depending on the size of one's foot, to gain admission to the "Shoeless Shuffle." Instead of the "Wearing of the Green," the passing of the green, derby, that is, was the bright spot at "St. Patty's Prance."

As Christmas approached, we were in a flutter thinking of the events that would soon take place. Tops on our list was "Belles and Beaus," the G.R. Formal.

At the "Winter Carnival," our semi-formal, we crowned Harry Turak and Marlene Larson, king and queen.

With the departure of the seniors comes the long awaited Junior-Senior Prom which has been the topic of conversation among the girls for months. This year we spent an evening in Paris.

Queen Helen Hall receives a congratulatory kiss from Junior Class president, Jim Kneisley, at the crowning of the 1954 Prom Queen. Those pictured are Marty Gross, Rosie Huyette, Jim Kneisley, Helen Hall, Marian Hileman, and Pat Wysocki.

we honor our queens and attendants;

Beauty reigns throughout the years at L.P.H.S. In the fall we have the traditional parade after which we crown the Homecoming Queen. The queen is elected by the student body after having been nominated by her class.

Two girls from each class are nominated to be candidates for this election. The girl receiving the most votes is the queen; the next two receiving the most votes compose the court.

In the spring the same procedure is followed in the election of the track queen. The queen and her attendants present the ribbons to the winning athletes at the LaPorte Invitational Track Meet.

Just before graduation we have the voting for the Prom Queen. Members of the junior and senior classes vote for any five girls in the senior class as potential queen candidates. In a second election, the girl receiving the most votes becomes queen and the other four form her court.

Marty Gross, 1954 Track Queen, receives a bouquet of red roses from O. Don Edmonds. Pictured are Helen Hall, Maurice Adams, Pat Wysocki, O. Don Edmonds, Marty Gross, Margo Reiter, Judy Haag.

1955 Homecoming Queen Marilyn Birkholz is shown with her court, Marlene Larson and Margo Reiter.

Elmer and Suzie have their choice of 33 clubs and several organizations to join for extra-curricular activities.

Some clubs are serious and some just for fun, but whatever their purpose or their activities, they are a vital part of life at LaPorte High School.

Our school's music department offers a special type of activity for those with musical ability. Even during the night, strains of music can be heard drifting from the second floor of the annex. This department is one of the most active and progressive in school.

"It's not all work, we have some fun!"

Whether participating in sports or merely being enthusiastic fans, Elmer and Suzie are brought closer together by the athletic events. We learn to be good sports and to support our teams, win or lose.

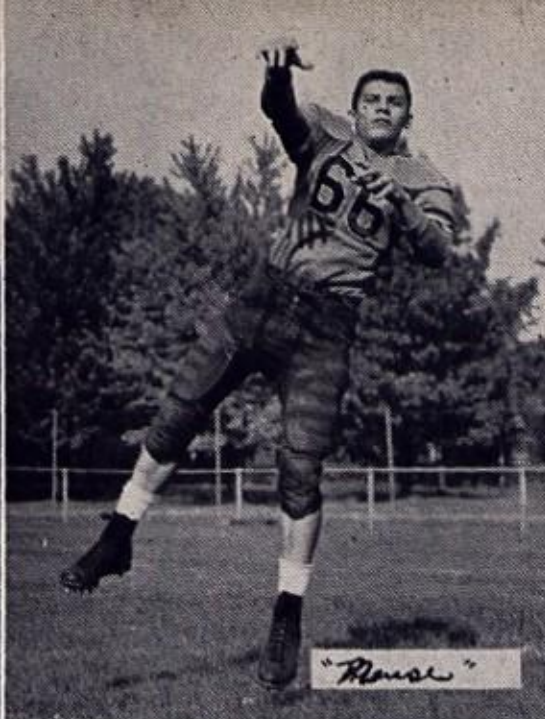

We go "all-out" to back the football and basketball teams but the minor sports are often neglected by us fans. The boys who work in any sport deserve the backing of the whole student body.

Colorful side-lights of the sports are the pep sessions, the Homecoming festivities and the crowning of the Track Queen.

Varsity Football

The Slicer gridders broke even, finishing this season with a five and five record. The gridders got off to a bad start by losing the first three games of the season. However, they bounced back to win the next three games.

In the seventh game of the season the Slicers met South Bend Riley, the number-one team in the state at that time, and were badly defeated. They lost their next game to Mishawaka. The Mishawaka game was played in a snowstorm. In the big game of the season, against Michigan City, the Slicers gave the Red Devils a thorough trouncing by defeating them 27-0. The Slicers ended the season by defeating Culver Military Academy 6 to 0.

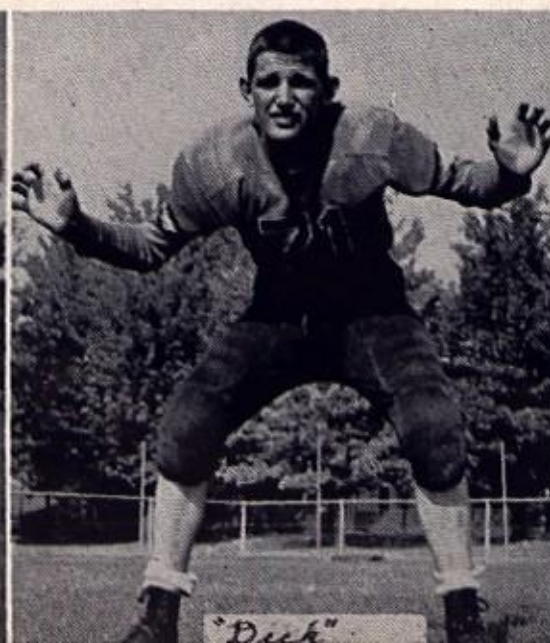

At the conclusion of the season the gridders elected Dick Surowiec honorary captain. Don Holm was elected most valuable player. George Karnavas, Dick Surowiec, and Ted Mishler were given honorable mention in the conference. Also, two gridders, Don Holm, and Jim Gazdick, were selected on the second all-conference team.

At the annual Pigskin Banquet honoring the Slicer gridders, awards were given to Dick Surowiec, most improved player; Don Hix, best defensive player; Jack Jones, best blocker, and Don Holm, best tackler.

Varsity Basketball

The basketball season was a success for the Slicers from the standpoint of the season record; the team won fifteen games and lost eight. With a couple of breaks the season would have been even more successful.

One of the highlights of the season was the Slicer's winning of the Holiday Tournament held at Michigan City. The Slicer morale received a great boost when they defeated Michigan City in conference play.

The Slicers finished with a five and four conference record, tying with Mishawaka and South Bend Central for fourth place in the conference.

Bob Wilkinson, who set all-time conference and school scoring records this year, was named on the first string all-conference team. Harry Turak was chosen as a guard on the second string all-conference team.

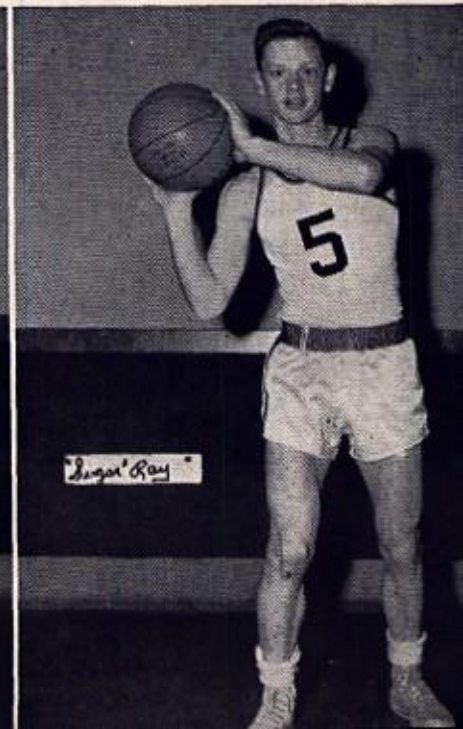

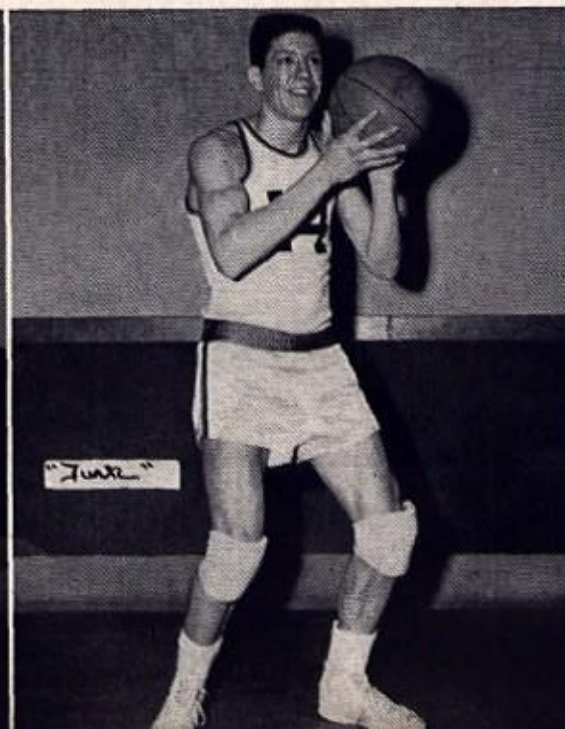

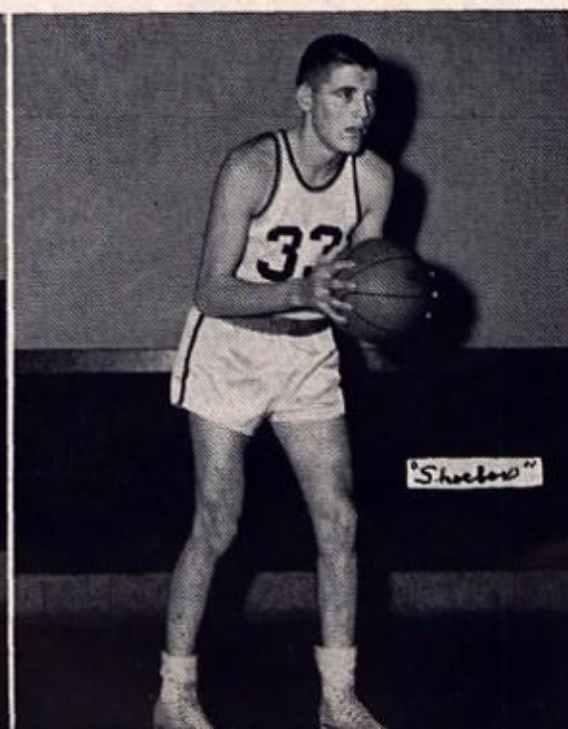

At the close of the season the team elected Jim Day and Tom Cloutier co-captains and Bob Wilkinson as the most valuable player.

N.I.H.S.C. Meet 9th Place

I.H.S.A.A. Meet 10th Place.

Joe, Wayne, Ted, Don, and Mike get set.

Tankers

This year the swimming team was improved over last year when the Tankers won only one meet. This season's record was four wins and seven losses. However, three of the meets were lost by small margins.

In the conference meet the Slicers finished in ninth place. Ted Zieke placed sixth in the backstroke, while the free-style relay team also took a sixth place.

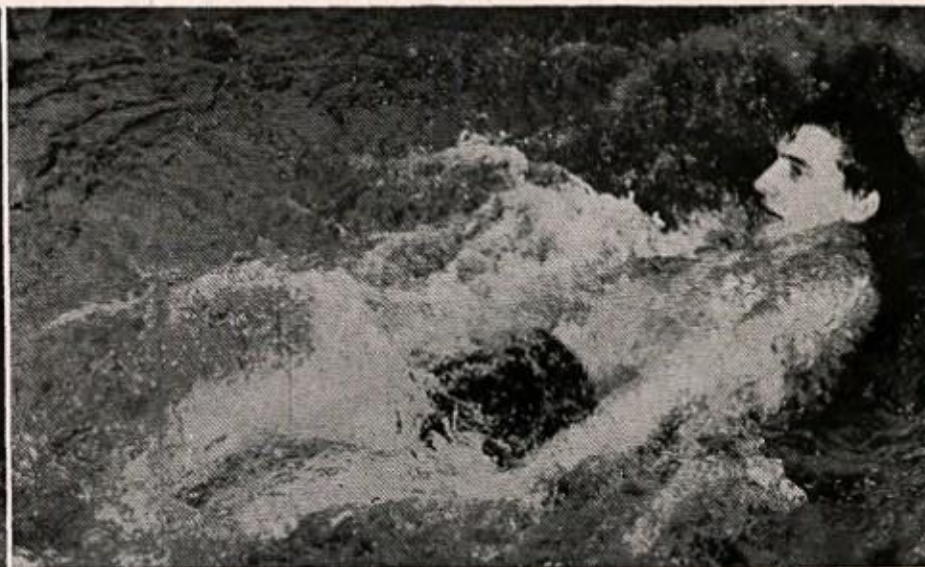

At the state meet held at Purdue University, the Slicers came home with tenth place. Slicers who placed in the state meet were Chuck Asmus, fourth in the 100 free-style, and Ted Zieke, sixth in the backstroke.

The team elected Wayne Palen honorary captain, and Ted Zieke was elected to receive the most valuable player award.

Track

As the season opened in March, prospects looked bright for the coming season with several lettermen returning.

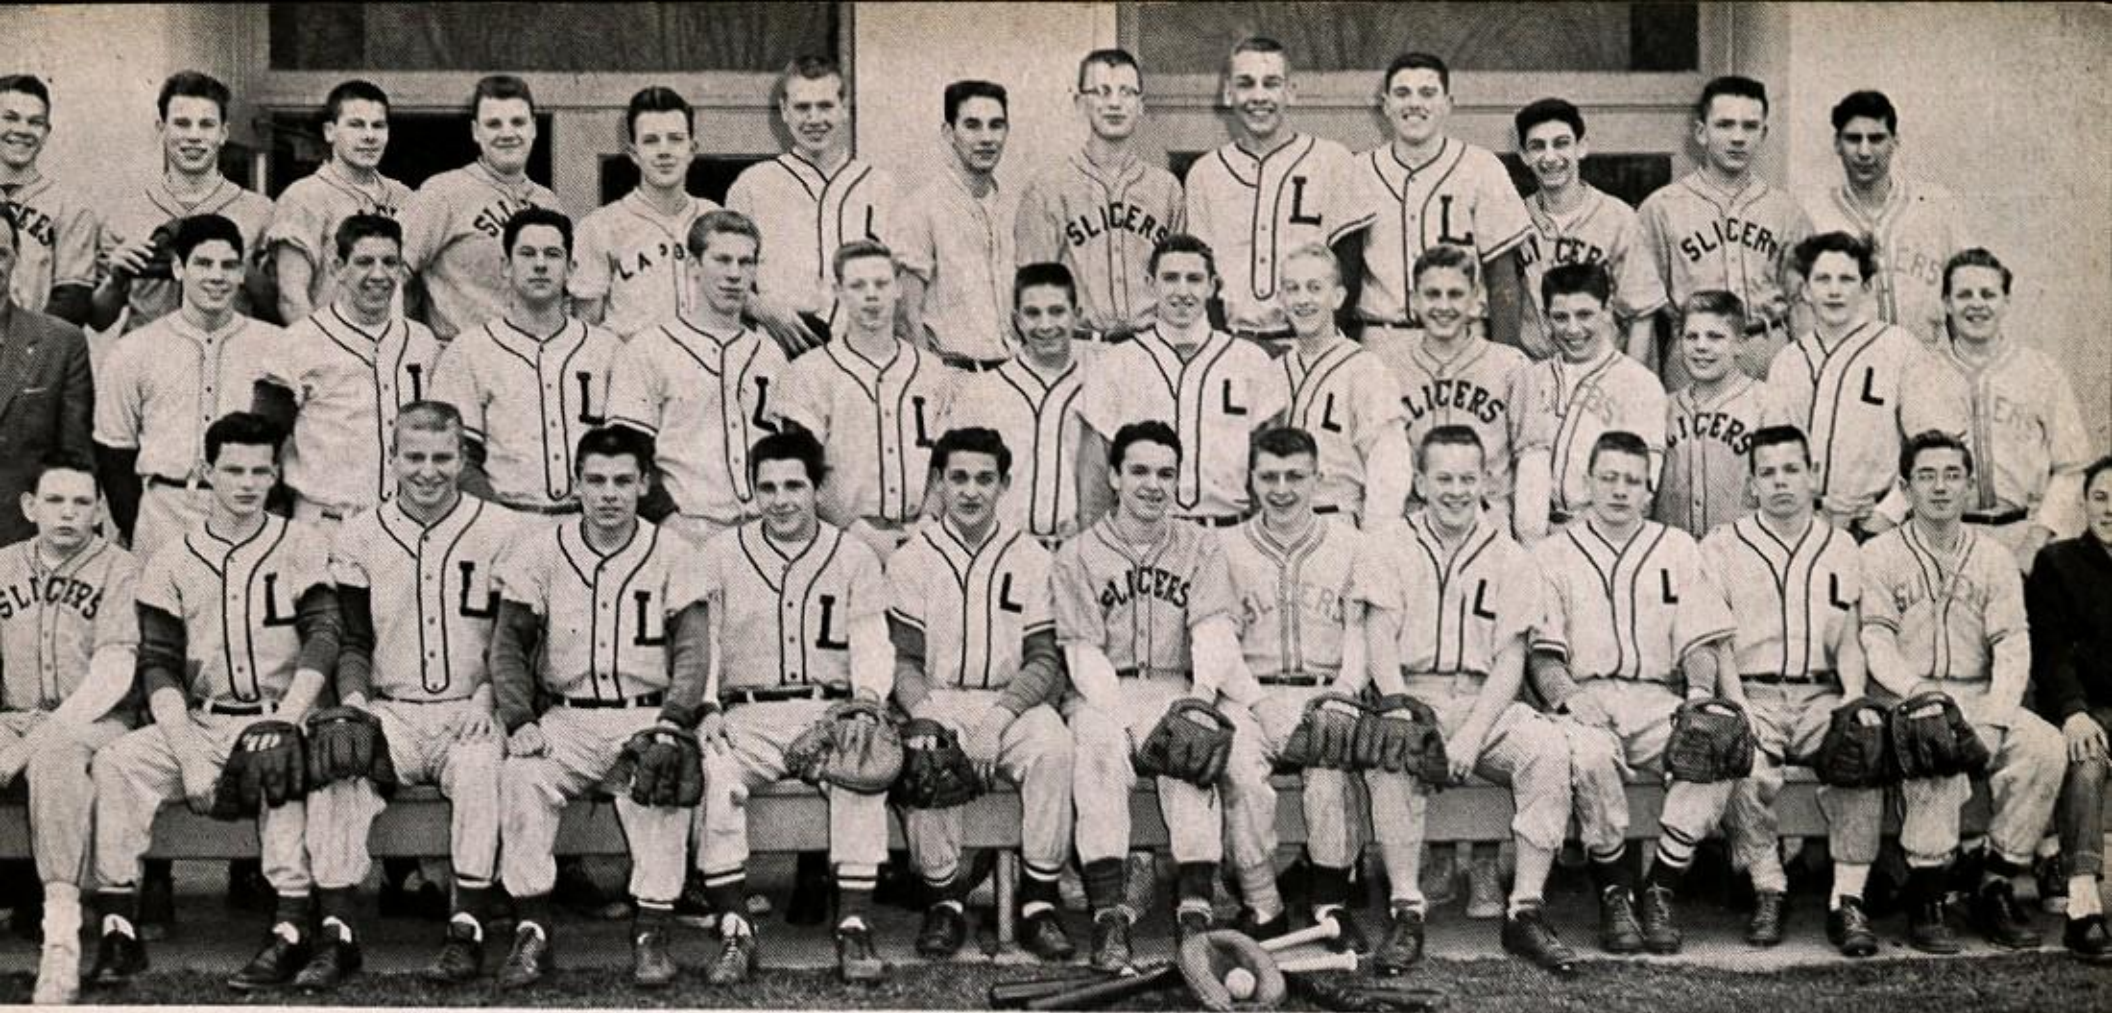

Among the returning lettermen was Dale Lubs who placed fourth in the mile in the state meet last year and Don Holm who went to state in the half-mile.

It looked as if the strong points would be in the dashes, the quarter mile and the hurdle events; however, the weakest spots on the team would probably be in field events.

The first meet of the season was scheduled for April 1. One of the high lights of the season was to be the annual invitational meet in May.

Ted Davis tries for another win.

Row one—L. Messenger, C. Showley, J. Jasinowski, D. Surowiec, J. Salwanchik, W. Goens, J. McCoy, B. Wiltfong, J. Roth, S. Kuk, T. Havens, B. Poe, Mgr. R. Scott. Row two—Coach Reed, B. Williams, H. Turak, R. Wilson, R. Hopper, E. Resetar, A. Barcus, T. Hilgendorf, J. Graw, L. Jacobs, D. Siedler, R. Rayfelt, T. Szawara. Row three—B. Clemens, J. Collins, R. Singleton, M. Stepanek, J. Chudzynski, G. Gierke, J. Scheaffer, L. Nawrocki, J. Kneisley, T. Cloutier, L. Martin, D. Goluch, M. Passafume.

Baseball

Mr. Reed had seven returning lettermen report for baseball this year. The season's prospects did not look bright, but Mr. Reed was counting on some of the underclassmen helping out. Lack of experienced pitchers seemed to be the weakest spot on the team as the season opened.

The baseball team had a fifteen game slate with the first game scheduled to be played on April 7.

Golfers

Fore! This familiar cry from Beechwood was heard as spring burst and the La Porte High School golfers dragged out their clubs. Jerry Schumm and Bob Becknell were the only returning lettermen.

Coach Addington felt that the success of this year's team depended heavily on the development of the underclassmen.

Intramural Basketball

This year the Intramural Basketball League was played with just one tournament. The Bears won the championship while the Dumbos were the runners-up. The Bears were an under-rated team, but came along to take 2 out of 3 games against the Dumbos, a number-one team. The faculty supervisor again this year was Mr. Klimczak.

Runners-Up

Top Row—T. Davis, D. Gaul, J. Anderson. *Bottom Row*—K. Roberts, J. Nash, G. Karnavas.

Working on class events such as dances, parties, the Prom, the Junior-Senior Banquet and Class Day, helps to bring Elmer and Suzie Slicer closer together.

In the classroom we learn to know and understand each other through class discussion. Teachers even prove to be "almost human" as they help us learn to work together.

Classes have a traditional importance in L.P.H.S. The green and bewildered freshies look in awe at the high and mighty seniors in their senior cords. They don't realize that the seniors have grown fond of the ivy-covered halls and wish that graduation had not come so soon.

Senior Class

In the eventful school year of 1954-55, the Senior Class elected the above officers. Bryon Bernard and E. L. Watkins filled the positions of class sponsors very effectively by helping the seniors sponsor after-game and seasonal dances.

The class spent hours in creating and planning the Junior-Senior Banquet, writing script for Class Day, and deciding what type of remembrance to leave the school.

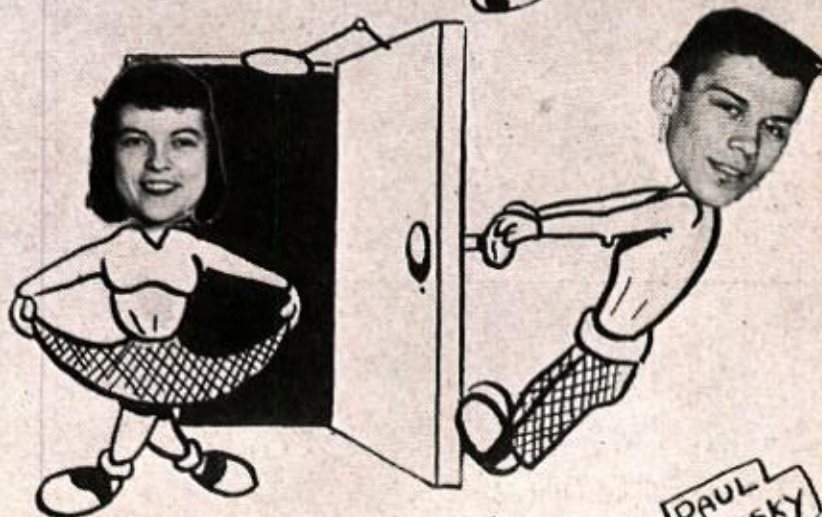

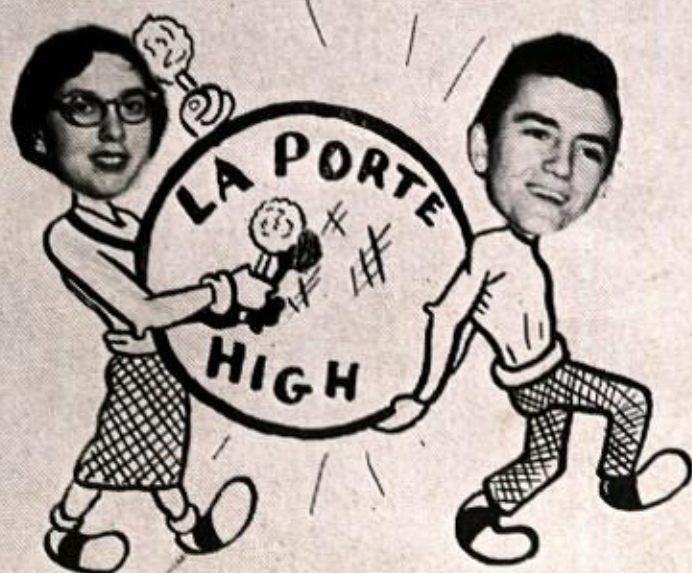

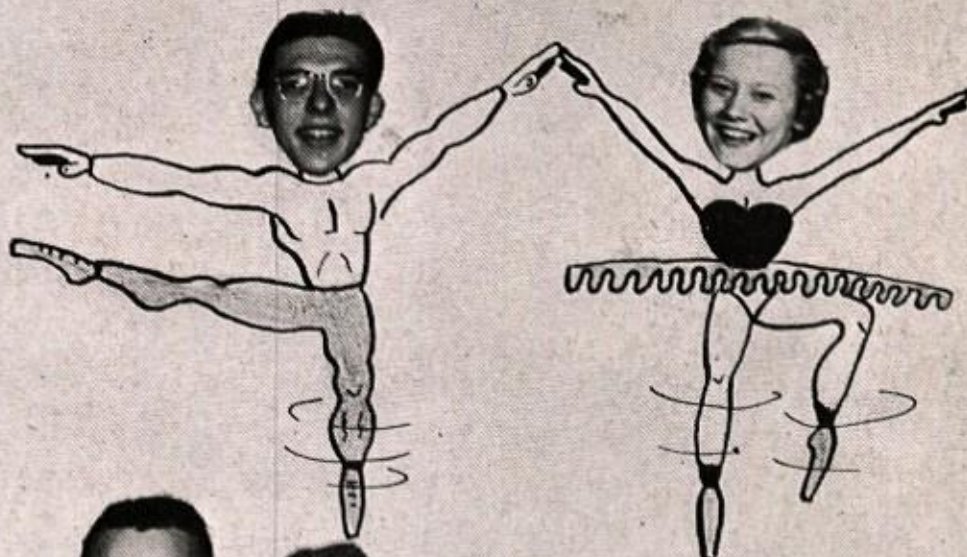

The annual staff worked hard editing the class's final presentation to L.P. H.S., the El-Pe.

We cannot find words to express our appreciation to the school and all those connected with the school—our administration, faculty, janitors, the Juniors, Sophomores, and even the Freshmen, no matter how green they are—for making these the best years of our lives.

We sincerely wish to thank Miss Azalia Knight for the capable guidance she has given us from our first green "Freshie" days until our graduation as mighty Seniors.

MICHIKO NAGASHIMA

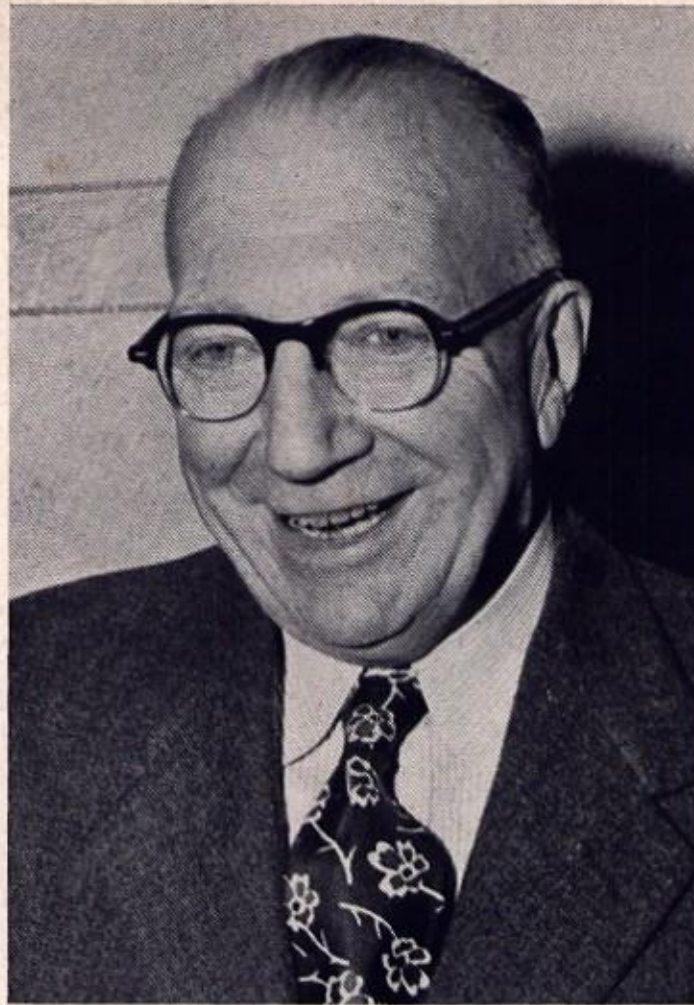

Exchange student from Utsunomiya, Japan

Michiko Nagashima is brought to us by the American Field Service Scholarship program. She was selected because of her superior grades and pleasing personality. While in LaPorte she resided at the home of Mr. and Mrs. Alban Smith of 2208 Woodlawn Drive.

Mickie, as her friends so often call her, lives in Utsunomiya, Japan, where she attended Utsunomiya Girls' School.

Her first impression of the United States was "The country was very huge and there were many high buildings." When asked what impresses her most about L.P.H.S., she replies, "The students have so many extra-curricular activities and a tremendous amount of social life. This is very different from Japan as we have very few social events for boys and girls."

IN MEMORIAM

EUGENE PENNINGTON

LaPorte High School has been saddened by the passing of Eugene Pennington, director of music, November 20, 1954. The student body and all those who knew and admired him deeply felt the loss of this man who had done so much for not only the music department but also for the school and the community.

Mr. Pennington, born December 16, 1914, graduated from high school in 1933 at Marian, Indiana, where he had been reared. He received a Bachelor of Music degree from DePauw University and returned there for his Master's degree in 1943.

He taught first in Greencastle for four years and served in the Army from 1943 to 1946.

Coming to LaPorte in 1946-47, Mr. Pennington began his improvements in the music department by organizing a dance band, which he directed for eight years. He composed a theme for the organization and arranged and wrote many other songs including the school hymn.

Mr. Pennington, admired and respected by all, will not be soon forgotten.
